

United States Department of State

Washington, D.C. 20520

OCT - 6 2010

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles sold commercially under contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the permanent export of defense articles, including technical data, and defense services related to sale of Sig Sauer Pistols and components for end-use by Bucello y Asociados S.R.L. for commercial resale in Argentina.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Richard R. Verma".
